Message from Ambassador

Dear fellow citizens and friends,

I assumed charge as the Ambassador of India to the Kingdom of Saudi Arabia on 17th February 2016. I deem it a great honour and privilege to have been chosen to discharge this duty.

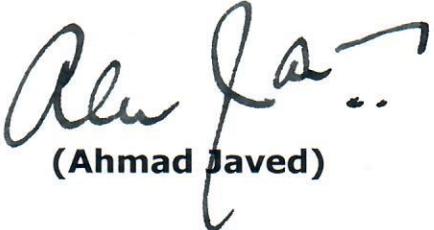

India and Saudi Arabia enjoy cordial and friendly relations reflecting the centuries old economic and socio-cultural ties. With a strength of nearly 3 million, Indians represent the largest expatriate community in the Kingdom. The growing strength of Indians is an indication of the good relations between India and the Kingdom and is also a reflection of the good work that we Indians have been doing in the Kingdom. We have integrated very well in the Kingdom's society and are making lasting contributions in various fields. In true sense, you all are the real representatives of India. I will seek, as a priority, to strengthen the contacts with the vibrant Indian community in the Kingdom.

I also look forward to working closely with my Saudi friends to further enhance our bilateral relations.

As always, the Embassy, as well as, the Consulate General of India in Jeddah stand ready to be of any assistance to members of the Indian community and friends of India. I invite you to regularly visit our website (www.indianembassy.org.sa) which is a good source of information and includes the contact particulars of all key officials of the Embassy.

With all good wishes.

Jai Hind,

(Ahmad Javed)
